Sir,

Regarding continuance of the services of the Special Revenue Inspector in the Chikmagalur Town Municipality

--ooo--

With reference to your letter No L 4775/L1 7-42-17 dated 13th November 1942, on the above subject, I have the honour to forward, herewith, a copy of letter No H C 46/42-43 dated 10th December 1942, together with a statement showing the demand Collection and Balance of Municipal taxes received from the President, Municipal Council, Chikmagalur, and to state that the Town Municipal Council, Chikmagalur, have resolved at their meeting held on 29-11-1942, that the post of the Special Revenue Inspector is not necessary

In this connection, I may state that on a former occasion also, they had expressed the same opinion A statement showing the Demand, Collection and Balance of assessed taxes in the Chikmagalur Town Municipality during the last ten years is prepared and enclosed for kind perusal It will be seen therefrom that arrears have been considerably reduced since the appointment of a Special Revenue Inspector Though the arrears at the end of the month of December 1942, are less than in the previous years, still they are heavy being Rs 4,995-8-0 If the services of the Revenue Inspector are continued till the end of

end of the current year, it is expected that the arrears will be appreciably reduced I, therefore, request that sanction of Government may kindly be obtained for the continuance of the said post till the end of the official year 1942-42, as already recommended in this office letter dated 24th October 1942

Subject:- Continuance of the services of the Special Revenue Inspector in the Chicka[illegible]lum Town Municipality

With reference to your Memo No A3-1569/42-43 dated 18-11-1942 regarding the above subject directing me to send a copy of the resolution of the Municipal Council for the continuation of the services of the Special Revenue Inspector I have the honour to state that the subject was placed before the Municipal Council at their meeting held on 28-11-1942 and it was resolved that the post of the Revenue Inspector is unnecessary

The arrears outstanding collection are still heavy though the collection work has considerably improved The Sanitary Inspector cannot devote sufficient attention towards execution of Distraint warrants, as he has to attend to sanitation work etc as the services of the Sub Overseer were discontinued the Chief Officer and Sanitary Inspector have to attend to Public works also and cannot devote sufficient attention to collection work

A statement showing the demand, collection and balance for three years is appended for favour of perusal There is a definite improvement since the post of Revenue Inspector was sanctioned

Incidentally the figures for 1941-42 show that as against a collection of Rs 29120/- a sum of Rs 1244/- was spent on the collection staff The cost of the establishment compared with the realisations works up to 4 2/3 This is a very economical figure considering that the collections are Rs 29120/-
